In Attendance: Janet Ewell, Carli O'Neil, Anita Sitterud, Katie Player, Jen Jensen, Cortni Miller, Marie Johnson

Agenda

Item number one: We have two new members on our Community Council. We welcomed Jen Jensen and Cortni Miller.

Item number two: Anita Sitterud was elected as our Chair person, and Carli O'Neil was elected as our Vice Chair.

Item number three: Jennifer Mortensen, from our Title 1 program, came to review our Title 1 compact and signature documents. Janet is sending a copy of each of these to each council member for review. An action item for November will be created to approve the documents

Item number four: 2020-2021 goals were reviewed. RISE test scores will not be available until mid-October so we will discuss if goals have been met at the next meeting.

Item number five: The Current Plan was reviewed. The school no-longer uses A-Z reading as a benchmark so a revision will need to be made to the plan to take that out. The budget and roll over was reviewed.

Item number six: We had a safe school discussion and talked about the reunification drill. We decided to have it in the spring where the weather will be a little better. Cleveland Staff had their training on digital safety.

Item number seven: Yearly Training Video was watched during the council meeting.

Item number eight: Date for the rest of the meetings for the year were decided on. Dates for upcoming meetings will be Nov. 9, Jan. 11, March 1, and March 15.

Carli motioned to adjourn the meeting.
